

The ultimate test in athlete performance, UA COMBINE, will be coming to Taipei for its inaugural edition. As a first of its kind, the 1-day fitness competition challenges athletes to push their limits and benchmark their performance against other athletes in their country.

Competing athletes will go through 8 tests, challenging their Agility, Stamina, Vertical, Power, Endurance, Strength, Speed, and Cognition. Points will be earned for each completed test and athletes will be ranked according to their result. At the end of the competition, one man and one woman in each country will be crowned the Champion for Combine 2024.

Date: Saturday, 30 March 2024

Venue: Taipei World Trade Center

Address: No. 5, Section 5, Xinyi Rd, Xinyi District, Taipei City, Taiwan 110

By Train: MRT Xinyi Line, Taipei 101/World Trade Center Station Exit 1

FOOD & DRINK

Bottled water and snacks will be provided for competitors. The location is within walking distance from various restaurants offering a wide selection of food and drinks.

FAQ

HOW MUCH DOES IT COST TO COMPETE?

Due to the limited number of spaces available at UA COMBINE 2024, a commitment fee will be required at the time of online registration.

- TAIWAN USD 70 (18+)

CAN I COMPETE IN A DIFFERENT COUNTRY THAN THE ONE I LIVE IN?

No. You must be a legal resident of and physically located in the country where the competition is held.

WHAT IS THE MINIMUM AGE REQUIREMENT FOR COMBINE?

UA COMBINE participants must be at least 18 years or older at time of registration.

HOW DO I ENTER AS A TEAM?

All teams need to be made up of 4 participating athletes. Gather your group and form a team of 4, make sure that all athletes in the team are officially registered as individual competitors in either Men's or Women's divisions – only the Team Leader is required to register for the entire team via this [link](#).

Each athlete will receive a score for their division. The four scores will be totalled to produce a team score.

WHAT SHOULD I WEAR?

Wear what you would normally wear to the gym or for a training session. When you check in on-site at the event, you will be given a Competitor Pack containing Under Armour gear for you to compete in including shoes, socks, shorts and a top, based on the sizes you provided during the registration process.

Lockers will be provided at the event. You are required to wear the Under Armour gear from your Competitor Pack when you take part in the competition.

HOW WILL I BE SCORED?

Individual Athlete Scoring Methodology

The competition leaderboard is configured and applied event wide using a Scaled Relative Format, in which each event is scored in a **Point per Rank format**. Points will be earned for each completed test (Agility, Stamina, Vertical, Power, Endurance, Strength, Speed, and Cognition) and athletes will be ranked according to their result.

In events measured For Time, lowest time ranks 1st. In events measured For Reps or For Weight, highest reps or weight ranks 1st.

The total number of points available in each event is based on the number of athletes ranked in each division. The leaderboard will calculate the total sum of all points awarded to the athlete in each of the eight tests and use that as the athletes' overall score.

Example:

In a total capacity of 200 athletes for the Men's division, the total points available per athlete / per event = 200.

1st place = 200 points, 2nd place = 199 points, 3rd place = 198 points.. 200th place = 1 point

Tie Placements

If a tie occurs in any event, athletes will share the same placement, and the next athlete will take the next place, i.e. John and Jack are tied 2nd place, the next athlete will then take 4th place.

Team Scoring Methodology

The competition leaderboard for team will be calculated via an **Aggregated Rank Format**, in which the overall ranks of all team members will be added up to be the team's final score. The winning team will be the team with the lowest aggregate score.

Example:

To calculate a team's points, athletes will sum up their overall ranks with the overall 1st place equivalent to 1 point, 2nd place equivalent to 2 points and so forth.

Should a team have best 4 ranked athletes regardless of division, the best score a team can achieve will be:

1 (1st placed male) + 1 (1st placed female) + 2 (2nd placed male) + 2 (2nd placed female) = 6 points.

Tie Breaker

If a tie occurs, the teams will compete in a dead hang challenge at the end of the event, and the team with the last person hanging will be declared the winning team.

CAN I USE WRIST STRAPS, GLOVES OR CHALK?

No. Straps or gloves are not allowed in the competition. Chalk will be provided for certain tests.

CAN I BRING A FRIEND, FAMILY MEMBERS OR SUPPORT CREW?

Yes, but entrance is on a first-come-first-serve basis, and they may be unable to enter if the venue is full.

WHAT TIME SHOULD I GET THERE?

Arrive at least 45 minutes before the start of the competition for your division, to check in, change into your UA gear, warm up and get in the zone. You only have 90 minutes to complete all 8 tests so you don't want to burn that time with preparation.

WILL THERE BE MEDICAL ASSISTANCE ON-SITE?

Yes. An ambulance and full paramedics crew will be at the event to handle any injuries or accidents that may occur. If you have an existing medical condition or injury that you think we should know about, please tell one of the Judges or Event Crew before you start the competition.
